**BUBBLE MASSAGE**  
With bubbles all around, you can enjoy your bath as soothing massage.

**SEAMLESS JOINT**  
The use of seamless joint technology makes the perfect combination of bathtub body and panel , thus endows the simple but fashionable appearance.

# Square 1

Bathing is not only to clean your body also to give us a moment of relaxation and enjoyment. Most people enjoy bathing and as a pursuit for a better life. The square minimalist style bathtub can be put in the center of a bathroom with the standalone water tap. This combination of straight lines and round corners sets a relaxing mood. The flat surface design is perfect for toiletries. All in all, the visual beauty and functions of this bathtub are fascinating.
